Update on planned acquisition

Vox Markets and Align Research

The Board of PCGE are pleased to announce that the proposed acquisition of VOX Markets Ltd ("VOX") and Align Research Ltd ("Align") by PCGE, previously announced on 21st March 2019 is progressing well.

The new group will be listed on the NEX Exchange and we have signed a heads of agreement on the proposed terms. It is likely that the proposed transaction will constitute a reverse merger under the NEX rules and the final proposal will be the subject of an EGM and approval by PCGE's shareholders.

Further updates including the proposed EGM date will be announced in the near future.
